

AMENDMENTS TO THE SPECIFICATION

Please amend the specification as follows:

Please replace the Title of the Invention with the following Amended Title of the Invention --

A COCHLEAR IMPLANT HAVING A REPOSITIONABLE IMPLANTABLE HOUSING --

Replace paragraph [0128] at page 7 of Applicants' published application with the following rewritten paragraph:

In the embodiment shown in FIG. 3-c, FIGS. 3-d, the intra-cochlear array 20 exits from a first lower edge of the component 30 while the extra-cochlear array 38 ~~exit~~ exits from a second upper edge of the component 30. For clarity, the extra-cochlear and intra-cochlear electrode arrays are not always shown in their entirety in these figures, however it is understood that such electrodes are well known in the art and as such do not require further explanation in this application.
